GDPR Statement

Privacy Policy

Radmat Building Products Ltd is committed to protecting your personal data and we want you to understand the choices and control you have over your information.

The new General Data Protection Regulations (GDPR) comes into force on 25th May 2018. Some of the changes in how data is stored / processed are highlighted below:

- **GDPR:** On 25th May 2018, the European data protection law known as the General Data Protection Regulation (GDPR) takes effect. The GDPR gives individuals in the EU more control over how their data is used and places certain obligations on businesses that process information of those individuals.
- **Transparency:** We've provided additional details about the information we collect and how we use that information. We've also explained your choices and the control you have over your information.
- **Functionality:** We may provide you with the ability to access and request correction or deletion of your personal information.

Radmat hold various data on your organisation which may include:-

- Business Name/Address
- Business Contacts
- Various Telephone numbers and Email addresses supplied by yourself
- VAT and company registration number
- Bank Account details

The information we hold is only used for the purposes of trading and communicating with you and is stored physically in locked storage at our head office or digitally on our secured server. Radmat have never and will never pass your personal data on to a third party without your permission.
